

# Engineering Recruitment Specialists

## Gi PROFESSIONAL

Gi Professional Specialist Staffing Services is a division of Gi Group UK and dedicated to working with clients and candidates in the field of engineering.

We provide a range of recruitment solutions, from contingency based recruitment through to preferred supplier appointment, search and selection and payroll management. We source candidates for contract, interim and permanent roles – both ad hoc vacancies and high volume projects.

Gi Professional operates across a wide range of industry sectors with a team of recruitment professionals who have extensive experience in engineering recruitment.

- Aerospace
- Automotive
- Construction
- Government
- Maintenance
- Manufacturing
- Oil, Gas and Chemicals
- Power and Energy
- Rail and Infrastructure

The Gi Professional team is dedicated to the search, support and placement of candidates across a wide range of professional and technical engineering job roles including: Electrical, Design, Mechanical, Quality and Systems Engineers.

We ensure compliance in all aspects of our recruitment process endorsed by our many accreditations and association memberships. We aim to deliver an exceptional and cost effective service to our clients and pride ourselves on developing long term strategic partnerships with employers of engineering personnel across the UK.
