APPLYING TO REMAIN IN THE UK AFTER 30TH JUNE 2021

If you are an EU citizen and want to continue living in the UK after 30th June 2021, you need to apply to the EU Settlement Scheme by that date.

To apply visit: www.gov.uk/settled-status-eu-citizens-families

Anyone who was not working in the UK before 31st December 2020 will be subject to the same immigration rules that apply to non-EEA citizens.

HOW TO PROVE YOUR RIGHT TO WORK

You can use any of the following to prove your right to work:

- a valid passport or national identity card (until 30 June 2021) if an EU, EEA or Swiss citizen
- a valid biometric residence card (until 30 June 2021) if you're a non-EU, EEA or Swiss citizen family member
- a valid visa confirming your right to work in the UK
- through the Home Office's digital share code to share your immigration status if you have EU Settlement Scheme 'settled' or 'presettled' status

There will be no change to right to work checks until after 30 June 2021 and your employer will not be required to undertake retrospective checks on existing EU employees. For more information, visit:

www.gov.uk/check-job-applicant-rightto-work

HOW TO GENERATE A SHARE CODE:

If you have EU Settlement Scheme settled or pre-settled status or have applied for a visa via the **UK Immigration: ID Check app,** you can create a code to share your immigration status with us at:

www.gov.uk/view-prove-immigration-status

You cannot use this service to prove your immigration status if you have a vignette in your passport or a biometric residence permit.

To generate the code online you will need:

- details of the ID documents you applied with (your passport, national identity card, or biometric residence card or permit)
- your date of birth
- access to the mobile number or email address you applied with - you'll be sent a code for logging in

You can then share the code with an employer who can check:

- the types of work you are allowed to do
- how long you can work in the UK for, if there's a time limit

For further information please speak to your local Gi Group Branch or Account Team. www.gigroupuk.com
